

The Mini Lop Rabbit

TOP LINE: Smooth, well rounded with excellent depth.

CROWN: Well placed on top of head so that the ears hang vertical.

HINDQUARTER: Well filled & slightly heavier than the shoulder.

HEAD:
Good
"Roman" head
with bold
curvature and
size
proportion

PEAK:
Even with the
back foot
making the top
line smooth.

The general aspect of the Mini Lop is that of a massive, thick-set body with good depth and width from the shoulders through well filled, slightly heavier hindquarters. The head markings on Broken should consist of color around the nose and eyes and with colored ears. Body color on Broken may be either patched or blanket markings.

GROUPS:

Agouti, Broken, Pointed White, Self, Shaded, Ticked, Wide Band
